Discover Your God-Given Purpose

FAITH & THE BODY CONNECTION
FAITH

QUESTIONS TO ASK IN THE QUIET. BRING A PEN.

You don't have to know how your story ends to start living it for Him.

1 If my life ended this year, what would I be holding out to God?

Be truthful about where the hours are going. Are you using those hours in service to God?

2 Where have I said "later" for so long that it quietly became "no"?

That thing you keep saying you'll do when life settles down. Is it still waiting for you, or did you let it go without ever deciding to do it?

3 What am I protecting?

My time? My comfort? My reputation? My clean house? What would happen if I held any of those things I find valuable just a little more loosely?

4 Am I busy, or am I fruitful?
